## Get Set, Go!

Today marks the start of a fun packed 24 hours at Sandy Hill.

At 2pm today, staff began a 24-hour cycle challenge. Staff will be cycling continuously throughout the night until 2pm tomorrow, to raise funds towards improving sporting facilities and our goal of providing an all-weather pitch that can be used by both pupils and the wider community.

Be sure to check out our school [Facebook](#) page, as there will be occasional footage of the cycle challenge.

If you wish to support us, please visit our [JustGiving](#) page to make a donation.

In addition to this, we are

also excited to be hosting our [Sustrans](#) Family Fun Day & Vintage Fair from 10am until 2pm tomorrow.

We would love to see as many of you as possible at the event. We would encourage you to walk, cycle or scoot to school as there will be a free raffle for those of you that come using any of these methods.

It should be a fun day, come rain or shine, with vintage game stalls, a bike obstacle course, beat the goalie, books and plant sales, a vintage tea room and hot food sales.

We look forward to see-

## Wonderful Wednesday - What a week

Firstly a huge 'Thank You' to our nursery parents for their help and support with nursery sports day on Wednesday this week. The sun shone, the children had a great time and were amazing - we're really proud of you all!

Year 3 also had a lovely day on Wednesday as they ventured west to the Minack Theatre to watch

a performance of Dr Dolittle.

It was the south coast for Year 4, who set off for Porthpean Camp on Wednesday. The children have been participating in some fantastic activities whilst away.

Reception classes were treated to a 'Rockpool Roadshow' yesterday

when Blue Reef Aquarium brought in some fascinating coastal creatures for them to discover and learn about as part of this term's topic.

Finally today saw the first Aspire EYFS Games held at Biscovey Academy.

Please visit the class blogs for more information and updates.

## Health Advice - Measles

The NHS has advised an increase in the number of case of measles reported in England and has issued the following letter with advice and guidance relating to measles and the MMR vaccine.

Dear Parent/Carer(s)

#### Measles is circulating in England

There is currently a large ongoing outbreak of measles in Europe and an increase in cases throughout England. From 1 January to 9 May 2018 there have been 440 laboratory confirmed measles cases, with London (154), the West Midlands (78), South East (68), South West (42) and West Yorkshire (37) reporting the most cases. The South West measles cases have centred around Bristol, North Somerset, and South Gloucestershire so far.

This means that unimmunised individuals will be at a real increased risk of contracting the infection and getting ill with Measles.

In order to be fully protected against measles, individuals require two doses of MMR (Measles, Mumps and Rubella) vaccine.

#### Symptoms of measles

The initial symptoms of measles develop around 10 days after you're infected, but it can take up to three weeks. These can include:

- Cold-like symptoms, such as a runny nose, sneezing, and a cough
- Sore, red eyes that may be sensitive to light (conjunctivitis)
- High temperature (fever), which may reach around 40°C (104°F)

A few days later, a red-brown blotchy rash will appear. This usually starts on the head or upper neck, before spreading outwards to the rest of the body.

You should contact your GP as soon as possible if you suspect that your child may have measles. Please phone before your visit as your GP surgery may need to make arrangements to reduce the risk of spreading the infection to others, especially vulnerable people.

In addition, if your child develops any symptoms that could be measles and is planning to travel, particularly by plane, then please contact the Public Health England Health Protection Team 0300 303 8162 Option 1 then Option 1 for further advice.

Yours faithfully,
