# Health & Wellbeing

# May - National Walking Month

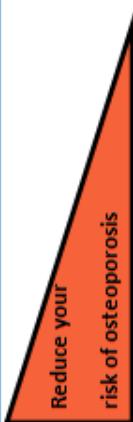

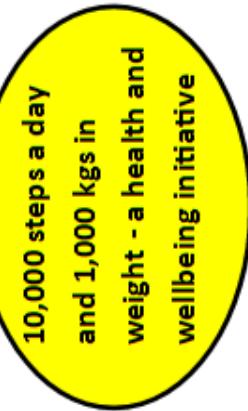

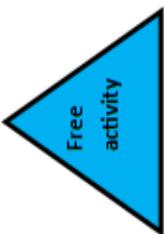

May is National Walking Month and Living Streets, the national charity that works to create safe, attractive and enjoyable streets, will be encouraging people to walk with their successful annual initiatives - Walk to Work Week and Walk to School Week.

Through these events, they hope to show children and adults how easy, enjoyable and rewarding walking is and how it can lead to real changes in people's habits and lifestyle.

**Walking is simple, free and one of the easiest ways to get more active, lose weight and become healthier.**

It's underrated as a form of exercise, but walking is ideal for people of all ages and fitness levels who want to be more active.

Regular walking has been shown to reduce the risk of chronic illnesses, such as heart disease, type 2 diabetes, asthma, stroke and some cancers.

# Parent Support Advisor

Every Wednesday morning at Sandy Hill Academy between 8:20am and 12:00pm, there is an open door drop in session with the Parent Support Advisor, Sarah Chown. Sarah will be happy to help you with any concerns you may have such as:

- Changes in behaviour with your child
