- b) Pupil Premium Anticipated Spending and Actions for 2016 2017

Statement of intent

At Sandy Hill Academy, we believe that by having the highest expectations of all learners, the highest possible standards will be achieved. Some pupils from disadvantaged backgrounds require additional support therefore we will use all the available resources to ensure they reach their full potential.

The pupil premium grant (PPG) was created to provide funding for three key areas:

- Raising the attainment of disadvantages pupils and closing the gap with their peers.
- Supporting children and young people with parents in the armed forces.
- Providing funding for looked-after children (LAC).

This policy outlines the amount of funding available, along with the procedures for ensuring the funding is allocated correctly.

1. Legal framework

- 1.1. This policy has due regard to relevant legislation, including, but not limited to the following:
 - The Children Act 1989
 - The Equality Act 2010

2. Pupil premium grant

2.1. In the academic year 2015 to 2016 the grant is as follows:

| Disadvantaged pupil | Grant amount per pupil |
|---|------------------------|
| Pupils in year groups reception to Year 6 recorded as Ever 6 FSM. | £1,320 |
| LAC defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English LA | |
| Children who have ceased to be looked after by an LA in England and Wales because of adoption, a special order, a child arrangement order or a residence order | £1,900 |
| Service children. | £300 |

3. Barriers to Learning

3.1 We aim to remove all barriers to learning, both internal and external.

Internal Barriers:

A) Emotional and behavioural issues for a number of PP children that has

potential to impact detrimentally on rates of learning progress.

B) Some high ability PP children make less progress than other high ability

pupils across the academy, which could prevent sustained high

achievement.

External Barriers:

C) Home-school links for a number of PP children is inconsistent and can impact on completion of homework, late arrival at school and attendance or

access to further home-school linked learning e.g. Mathletics, Education City

4. Desired Outcomes and Success Criteria

- A) Children to gain greater awareness of their emotional and behavioural 'triggers' and be able to manage them appropriately – Children to better understand own emotions and needs as shown on thrive screening assessment.
- B) Higher rates of progress for higher attaining pupils eligible for PP Pupils eligible for PP identified as high ability make as much progress as 'other' pupils identified as high ability, across academy in maths, reading and writing. Measured by teacher assessments and successful moderation practices established across the multi-academy trust (MAT).
- C) All homework completed and access to ICT support e.g. Mathletics. 100% participation in all home school offered meetings.

5. Strategies

- 5.1. To provide additional educational support to raise the achievement of pupils in receipt of the PPG.
- 5.2. To narrow the gap between the educational achievement of these pupils and their peers.
- 5.3. To address underlying inequalities, as far as possible, between pupils.
- 5.4. To ensure that the PPG funds reach the pupils who need them the most.
- 5.5. To make a significant impact on the education and lives of these pupils, including access to ICT learning e.g. Mathletics.
- 5.6. To work in partnership with the parents/carers of pupils to collectively ensure their success, including the use of PSA.
- 5.7. Assigning a Pupil Premium Lead to champion the educational needs of PPG recipients and ensure the implementation of this policy.
- 5.8. Ensuring PPG funds can be identified within the school's budget.
- 5.9. The Executive Principal and Assistant Heads will consult with the Pupil Premium Lead, directors, staff and parents/carers, when deciding how funds are spent.
- 5.10 Assessing the individual provisions required for each pupil in receipt of PPG.

6. Further potential measures

- 6.1. Providing one-to-one and small group work with experienced teachers to address specific knowledge gaps.
- 6.2. Reducing class sizes to improve opportunities for effective teaching.
- 6.3. Creating additional teaching and learning opportunities using teaching assistants.
- 6.4. Targeting English and maths in pupils who are below age expectations.
- 6.5. Allocating funds to enable these pupils to participate in extra-curricular activities.
- 6.6. Targeting pupils who require additional help to reach age related expectations.

7. Focus of spending

7.1. Under the terms of the PPG, the funding may be spent in the following ways:

- For the purposes of the school, i.e. for the educational benefit of pupils registered at the school.
- For the benefit of pupils registered at other maintained schools or academies.
- On community facilities, i.e. services whose provision furthers any charitable purpose for the benefit of pupils at the school or their families, or people who live or work in the locality in which the school is situated.
- 7.2. If the grant is not used in the academic year, some or all of it may be carried forward to the following year.

8. Reporting

- 8.1. Sandy Hill Academy will monitor, evaluate and review the success of the impact of PPG funding, in terms of improving educational outcomes and cost effectiveness.
- 8.2. The Academy will report annually on how effective PPG spending has been and what impact has been made.
- 8.3. Information regarding PPG spending will be published on Sandy Hill Academy website.
- 8.4. For parents/carers of pupils in receipt of PPG, personal information will be sent home in pupils' progress reports.

8.5. This information will lead the thinking in the development of additional or alternative strategies and interventions to further improve the attainment of these pupils.

9. Monitoring and review

The Executive Principal, along with the Directors, SLT and the Pupil Premium Champion will be responsible for reviewing this policy annually.

| Total number of pupils on roll | 252 |
|--|---|
| Total number of pupils eligible for PPG | 37 |
| Amount of PPG received per pupil | £ 1,320 x 35 = £46,200 (FSME6) £1,900 x 0 = £0 (Looked after child) £300 x 2 = £600 (Service Children) |
| Total amount of PPG received | £ 46,800 |
| Summary of PPG Spending in Ac | cademic Year 2015 - 2016 |
| Objectives in spending PPG: To ensure the continued success, both disadvantaged pupils, in line with their nationally. To remove any barriers to learning, ensmaximising and reaching their full pote aspirations. Additional directed teaching time to natschool, locally and nationally. Focussed Maths and Literacy 'Booster' identified learning gaps and enhancem expected standard for the year group. Additional TA Support to follow up on the personal response time. PP mentoring to break down any barrier positive ethos to school life, striving to socially, emotionally and academically. 1:1 Support / Mentoring to support hom PSA time to support both pupils and the require / request, ensuring a smooth hom multi-agency professionals and signpot access further support where needed. ICT learning 'as well as extra support learning e.g. Mathletics, Education city Funding towards trips / camps, ensuring of a broad and balanced curriculum, wit for all. Homework resources e.g. CGP revision etc. provided to further develop enthus home-school learning. Thrive update and staff training ensure assess and develop emotional/ social resources and develop emotional/ social resources of well-being, ready to strive for | in progress and attainment, for peers, within school, locally and suring the inclusion of all children, intial with high expectations and rrow any gaps between peers, within sessions after school hours on ents to both meet and exceed the arget work provided by teacher and rrs to learning and further develop a maximise and reach full potential he-school links and learning. eir families in whatever areas they ome-school link. This also involves sting to provide the means needed to inclusion and allows pupils access rt for homework and consolidating and study books, folders, stationery iasm for learning and strengthen s current assessment to identify, needs through the 'Thrive' framework s screenings, where required. support within Kids Club, ensures the day and promotes a positive |

(across all 3 subjects, compared to national 99.7) VA for disadvantaged pupils: Maths: 100.4 (national 99.7) Reading: 110.8 (national 99.7) Writing: 100 (national 99.8) (RAISE Feb. 2016)

- OFSTED Dashboard: KS2 value added in all subjects was broadly average or above for disadvantaged pupils and those who have special educational needs. (Nov. 2015)
- Results this academic year, again, show excellent progress for disadvantaged pupils, across all year groups and at the end of key stages.

Summary of Year 6 Pupil Premium Data - July 2016

4 children in Pupil Premium group.

PP children attaining significantly higher than the national average at ARE or above across Reading, Writing and Maths.

PP children attaining higher average scaled score in Maths and Reading than both the cohort and national average.

Lower % at ARE than cohort, but this accounts for only 1 child who scored 98 in both Reading and Maths, having scored Level 1b (R,W,M) at KS1 so showing excellent progress.

2 Pupil Premium children are on Record of Need (School Support)
