

# Sandy Hill Academy Curriculum 2017 - 2018

Vision: We aim to be STARS

To enhance and develop the new curriculum, we teach through topics at Sandy Hill. This means we work in a cross curricular way to provide exciting and real life learning for the children. Across key stage 1, the classes work on a three year rolling programme to enable them to work together and provide the same provision for mixed year groups. Years 4 and 5 work on a two year rolling programme.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year R	Themes based on children's interests	Themes based on children's interests	Themes based on children's interests	Themes based on children's interests	Themes based on children's interests	Themes based on children's interests
