# European Day of Languages

On Friday, 23rd September, we will be taking part in European Day of Languages, which is celebrated in schools across Europe. The aim of this day is to encourage lifelong language learning.

**This year, we will be celebrating Spanish language, culture and customs throughout the school.** Spanish is the world's second most spoken language with 332 million speakers. Each class will take part in a variety of fun activities and will also have the opportunity to taste some typical food so **if your child suffers from any food allergies, please write a note giving us details.** We would appreciate a donation of 50p towards the costs.

It will be a non-school uniform day and we hope that the children (and staff!) will wear the colours of the Spanish flag (red and yellow) or a costume reflecting the culture of Spanish speaking countries or even the weather! They will have a very colourful and enjoyable day.

Thank you
