

Rivers & Oceans
Year 3 2025
Homework

Visit a local beach and draw a map of the area. Write instructions on how to stay safe whilst visiting the seaside.

Visit a travel agents or research holidays (online) based near to one of the five oceans of the world. Design a leaflet to encourage tourism to this place. Include places of interest and places to stay.

Choose a sea creature and create a fact file/book or poster about them.

Write an ocean themed poem or story.

Using the words
'Rivers and Oceans'
Create an acrostic poem

Design and draw a new species of sea creature.
Challenge: Can you create a prototype of your design using objects/junk found around your house.

Write a sea themed menu.
Include only things that can be caught from the ocean. Find and make some sea inspired recipes to try at home.

Junk modelling - Design and make a boat or a sea creature out of things you no longer need at home. You could use: boxes, cartons, tubes and other items you might find in your house or recycling. You might even want to create a paper mache model.

Create a sea-themed board or card game. Write a set of instructions to go with your game then teach your family and friends how to play.

Research a famous wildlife expert. Write 5 interesting facts about them. Include illustrations.

Research facts about plastic pollution and create a fact file/poster to persuade others.

What's the best shape for a boat to float? Design and make a boat out of paper/card. How long will it float for?
Challenge: Make a boat that can carry a weight.
