Dear Parents/Carers,

Re-opening of school on 8th March

Firstly, I would like to share my thanks to everyone for your continued efforts supporting your children during the past couple of months.

Following the government's announcement yesterday, that schools will re-open and all pupils will return to face-to face education on 8th March, I am aware that you are keen to know how the return to school will take place at Sandy Hill Academy.

We will be working closely with Aspire Academy Trust central team, as always, and are currently in the process of analysing the latest DFE guidance, to plan for the safe re-opening of our school.

I, along with the whole staff team, very much look forward to the 8th March, welcoming the children back to Sandy Hill for the remainder of the academic year and being able to provide an environment full of happy learning opportunities for all.

Kind regards,

Mrs B Rundle
Head of School
