Nursery - Optional Home Learning Project

Autumn Term 2 2020

Welcome to our Nursery <u>optional</u> Home Learning Project! The aim of our half-termly Home Learning Projects is to support your child to continue to develop the skills they need to progress in their learning and development, as well as promoting their school-readiness. The skills included in these projects may be your child's strengths or areas in which they could improve or where they may feel less confident.

Work Home Learning Project tasks that you complete with your child can be recorded in any format e.g. photo's, videos, written document or voice recording. Any completed activities are to be uploaded onto Tapestry as an Observations of your child. We please ask that your child <u>does not</u> bring any completed work into school to share. We will celebrate completed project work during our Nursery 'Together Time' sessions using the interactive whiteboard. <u>HAND IN DATE: Monday 6th December 2020</u>

Autumn 2 Topic: Special Times / Night Time
