Dear Parents/Carers,

## Parent Survey Results

Firstly, I would like to say a big thank you to those who took the time to complete our recent Parent Feedback Survey. We had a total of 145 responses across the whole school. I am very pleased to be able to now share the survey results with you.

Overall, the results were resoundingly positive and feel this is something for all of us to share and celebrate.

We will be using the information to shape and develop the school moving forwards, and a special thank you to everyone who took the time to give us additional feedback as your comments are extremely helpful.

As we would expect, there were a few questions and comments raised, which we will endeavour to follow up on with the families who raised them (provided we were given your contact details).

I would like to conclude by reminding parents and carers that whilst we are unable to operate our usual open door policy with the opportunity to meet your child's class teacher, please do not hesitate to contact us via phone or email ([hello@sandyhill.org.uk](mailto:hello@sandyhill.org.uk)) with any queries or concerns you may have and we will do our best to help and support you and your child.

Once again, thank you for you for taking the time to participate.

Yours faithfully,

Mrs B Rundle  
Head of School
