

DI

Design an outfit that represents your personality and, if you have the resources, why not have a go at making a mini prototype of it using needle and thread.

Create a tie-dye T-shirt.

Research a food from the past - have a go at making it!

Science

Think about the positive changes we can make to our environment. Take part in some of these challenges:

<https://kids.nationalgeographic.com/celebrations/article/earth-day>

Music

Study a piece of music from a previous era. Learn to sing it.

Computing

Create a music video to the piece of music using video or stop-motion animation on a smartphone/tablet app.

R.E

What part did Christianity play in the way British people have dressed in the past?

How has religion changed in our country over the years?

History & Geography

Research a time in British History - what were the clothes like for men and women? For children? Compare to the modern day.

Create an information leaflet about how sustainable clothing can help save our environment.

R.S.H.E

Write a blog entry about Fast Fashion - what can we do to be more sustainable?

British Clothing through the ages Year 4 2021 Summer 1

English

Imagine being a child in the 1920's - write a character description if they were going to a special event. Research names of clothing to do this.

Write a **balanced** argument about the benefits of wearing school uniform in 2021 Vs having the freedom to wear your own clothes.

Read some traditional British tales.

Art

Create a political mural about fast fashion.

Draw a timeline of British Clothing through the ages, showing how it has changed and evolved.

Create a pattern using stamping on materials.

Maths

Create word problems involving fractions to challenge your family with. Why not have an era as a theme?

Find out about old British money - can you convert it into today's values? Design your own 'future money' - explain the logic.

X marks the spot! Create a treasure map around Britain. You could also plot the coordinates for an area where you may find some of the countries' iconic landmarks.

P.E

Research the history of British sport - have a go!

Research the Olympics - make your own Olympics games at home.
