

21 February 2020

Dear Parents/Carers,

Year 6 Maths Club

We will be starting a new Year 6 Maths Club from Tuesday 25th February 2020 and all our Year 6 children are invited to attend.

This club will take place each Tuesday from 3-4pm and will be led by Mr Walker.

We very much hope that your child will participate in this club, which will be an exciting opportunity to develop their arithmetic skills further and attempt interesting maths challenges helping them to further build their confidence.

Your child may be collected from the new building, after club has ended at 4pm.

If you agree to your child participating in this club, consent should be provided via Arbor (Activities>Clubs).

Should you have any questions regarding the club, please speak to Mr Walker.

Yours faithfully,

Mr J Walker
Year 6 Teacher
