

Year 1 Optional Learning Project

Spring Term 2022

Welcome to our **optional** Home Learning project! The aim is to build on the skills that are your child's strengths and also to improve those areas where they may feel less confident. If your child completes just one activity within the project they will receive a certificate. Work can be recorded in any format e.g. photo's, a written or drawn document, a recorded song or video. Any completed activities are to be uploaded to Tapestry. We ask that your child **does not** bring any completed work into school to share. We will celebrate completed project work within class using the Interactive Whiteboard to share uploaded project work. HAND IN DATE: **Monday 28th March 2022**

Name: _____

Topic: Spring: **Brilliant Bodies**

Literacy	Daily reading, words and spelling practice (spellings will be tested on Fridays) Weekly English homework will be handed out on Monday to be logged on Tapestry by the following Monday.		
Numeracy	Weekly mathematics homework will be handed out on a Monday to be logged on Tapestry by the following Monday.		
Arts & creativity	Make a body-this can take any form e.g. drawing, collage, junk modelling etc.	Design a new set of nurse's scrubs.	Make an Easter bonnet.
Humanities	Find out 3 facts about your favourite sports person.	Make an invention of your own to help a family member.	Design a new play area for the school. Think about the equipment you would want to include as well as any floor or wall paintings.
Science & Technology	Create a picture timeline to show how you have developed from a baby to now.	Make a poster to show how you take care of your body.	Learn about the lifecycle of a butterfly.
