

Welcome to our Nursery **optional** Home Learning Project! The aim of our half-termly Home Learning Projects is to support your child to continue to develop the skills they need to progress in their learning and development, as well as promoting their school-readiness. The skills included in these projects may be your child's strengths or areas in which they could improve or where they may feel less confident.

Home Learning Project tasks that you complete with your child can be recorded in any format e.g. photo's, videos, written document or voice recording. Any completed activities are to be uploaded onto Tapestry as an Observation of your child. We please ask that your child **does not** bring any completed work into nursery to share. We will celebrate completed project work during our Nursery 'Together Time' sessions using the interactive whiteboard. **HAND IN DATE:**

Monday 6th June 2022

Summer 1 Topic: *Amazing Animals*

<i>Literacy/Communication and Language</i>	<p>Practise name writing.</p> <p>Can you have a go at retelling a traditional tale story such as, 'The Three Little Pigs' – 'The Gingerbread Man' – 'Goldilocks and the Three Bears'</p> <p>Can you name the different parts of a book?</p>		
<i>Mathematics</i>	<p>Can you go on a 3d shape hunt in your garden and around your home?</p> <p>Can you have a go at solving real world maths problems. For example, Can you count out 8 pieces of apple so you and your friend both have the same amount?</p>		
<i>Expressive Arts and Design</i>	<p><u>Paper plate jungle animal mask</u></p> <p>Can you choose a jungle animal and create a mask of them using a paper plate?</p>	<p><u>Baking a Gingerbread Man</u></p> <p>Can you have a go at baking your own Gingerbread Man? Hopefully your Gingerbread Man won't run away like the one in the story!</p>	<p><u>Junk model story character</u></p> <p>Could you have a go at using junk modelling materials to create your very own animal character from a story you know well?</p>
<i>Understanding of the World</i>	<p><u>Exploring forces</u></p> <p>Can you have a go at learning about the different forces you can feel when you do things at home? For example, can you demonstrate pushing and pulling along a toy car or train?</p>	<p><u>Exploring different natural materials</u></p> <p>Now the weather is improving, can you have a go at finding different natural materials outside and comparing them?</p>	<p><u>Around the World</u></p> <p>Can you talk with your family about different countries around the world? Maybe you have family or friends who live in a different country?</p>
<i>Physical Development</i>	<p><u>Throwing and Catching</u></p> <p>Can you have a go at practising how to throw and catch a ball?</p>	<p><u>Scissor Skills</u></p> <p>Can you have a go at cutting along straight and curved lines?</p>	<p><u>Eating independently</u></p> <p>Can you have a go at practising to use a knife and fork when you eat your food?</p>
