

14 March 2022

Dear Parents/Carers,

Year 1 Trip to Penrice Academy Farm

We are very excited to advise that our Year 1 pupils have been invited to visit Penrice Academy Farm.

Both of our Year 1 classes will have the opportunity to attend, however only one class is able to attend at a time.

Miss Brandreth's (Chestnut) class will be first to attend this week, during the afternoon of Wednesday 16th March. Miss Bussandri's (Holly) class will attend the following Thursday, 24th March 2022, in the afternoon.

This will be a fantastic opportunity for our pupils to have close encounters with a variety of animals, from goats to rabbits, the farm dog and even a bearded dragon! The visit will enable our pupils to gain a better understanding of agriculture and the importance of responsible animal ownership and welfare.

The children will have their lunch at Sandy Hill and then walk to Penrice Academy, expecting to arrive at 1pm. After the event, pupils will need to be collected from Penrice Academy at 3pm.

We ask that children have a warm/waterproof coat with them and also bring either wellington boots or old shoes, as they may get muddy feet.

We will require your consent for your child to participate in this event. The consents cover allergies, tetanus vaccination and animal phobias. Please log into your Arbor account, where you will find the appropriate consents in the 'Notices' section. Please complete each of the required consents, providing any additional information in the notes section.

Please do not hesitate to contact us should you have any questions.

Kind regards,

| | |
